FERRY COUNTY RESOLUTION 2013-29
IN THE MATTER OF ECONOMIC STABILITY AND PUBLIC HEALTH, SAFETY AND WELFARE

WHEREAS, The Ferry County Board of Commissioners has the duty and responsibility to protect the tax base and economic stability that benefits the citizens within its jurisdiction; it further has the duty and responsibility to protect the social cohesiveness of the community it services. A social cohesiveness that is critical to providing the services necessary to protect and provide for the public health, safety and welfare of its residents; and

WHEREAS, the Board finds the preservation of the customs , culture and general economic stability of the citizens and the protection of their lands requires involvement of Ferry County in the decision making process of any state agency, entity and/or regulatory control that may impact their land use rights; and

WHEREAS, the Ferry County Commissioners have determined that certain policies need to be established to sufficiently address the influence that actions by state agencies and entities may have on private land use and natural resources in Ferry County; and

WHEREAS, the Board finds actions taken by state agencies and entities without consultation and coordination with the County and in conjunction with the Ferry County Comprehensive Plan and development regulations may impact the quality of life of the citizens and residents of the county; and

WHEREAS, the Board finds management of natural resources, fish and wildlife has a direct impact on the economy, customs and culture of Ferry County; and

WHEREAS, the Board finds state agencies are required to comply with comprehensive plans and development regulations

NOW THEREFORE BE IT RESOLVED, that the Ferry County Board of Commissioners invokes the coordination authority that is provided in the federal code 43 CFR 1600 and Washington State RCW 36.70A.103; and

BE IT FURTHER RESOLVED, that State agencies or entities comply with the Ferry County Comprehensive Plan and development regulations and shall ensure that the economic impact be given proper consideration in accordance with RCW 43.21
