

FERRY COUNTY ORDINANCE NO. 2008-06

FERRY COUNTY OFF HIGHWAY VEHICLE ORDINANCE

WHEREAS; RCW Chapter 46.09 allows the county legislative authority to regulate the operation of Off Highway Vehicle on public lands, waters, other properties, streets, roads, highways under its jurisdiction; and

WHEREAS; Article 11, Section 11 of the Washington State Constitution empowers local governments to make and enforce within its limits all such local police, sanitary and other regulations as are not in conflict with general laws; and

WHEREAS; the Commissioners enact this ordinance to supersede Ordinance No. 2007-06. The purpose of this ordinance (and the superseding of Ordinance No. 2007-06) is to broaden and increase the recreational opportunities for Off Highway Vehicles; The Commissioners find that OHV use on limited-traffic county rights-of-way has less impact that OHV use elsewhere.
