

**FERRY COUNTY  
RESOLUTION NO. 2010-01  
AMENDING RESOLUTION NO. 2009-06**

**AMENDING THE NAME FERRY COUNTY  
RECREATIONAL TRAILS COMMITTEE TO BE  
FERRY COUNTY RAIL CORRIDOR COMMITTEE**

**WHEREAS**, on February 17<sup>th</sup>, 2009 the Ferry County Board of Commissioner's established the Ferry County Recreational Trails Committee, Ferry County Resolution No. 2009-06; and

**WHEREAS**, the Board of Ferry County Commissioner's placed an advisory vote on the November 2009 ballot to help determine the use of the Rail Corridor. On December 28<sup>th</sup>, 2009 the Ferry County Board of Commissioner's designated the portion of the Rail Corridor from Herron Creek Road north to the Danville Bridge as "multi use non-motorized only"; and

**WHEREAS**, the Board of Ferry County Commissioner's realize the continued need to have a special advisory committee to advise and make recommendations to the Board of Ferry County Commissioner's regarding the future management of the trail. The Board of Ferry County Commissioner's feel this committee should be more specific to "multi use non-motorized" for the portion of the Rail Corridor described above. Also to avoid further confusion the name of the Committee will be changed from Ferry County Recreational Trails Committee to "Ferry County Rail Corridor Committee"; and

**NOW THEREFORE BE IT RESOLVED** that effective immediately the Ferry County Recreational Trails Committee has been re-named to be the Ferry County Rail Corridor Committee. The Ferry County Rail Corridor Committee is to advise and make recommendations to the Ferry County Board of Commissioners on the portion of the rail corridor from Herron Creek Road north to the Danville Bridge that was designated for "multi use non-motorized".

**THEREFORE BE IT FURTHER RESOLVED** that the Board of Ferry County Commissioners have requested that the Ferry County Rail Corridor Committee recommend amendments to the current by-laws to be project specific for the portion of the Rail Corridor that has been designated as "multi use non-motorized" for the Board of Ferry County Commissioners approval.

**APPROVED** this 1<sup>st</sup> day of February 2010.
