

Ferry County
Resolution No. 2013-10

In The Matter of Timber Harvests On Publicly Held Lands

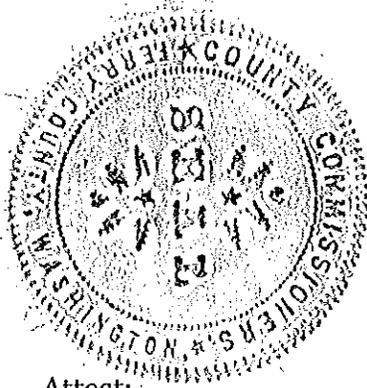

Maintaining & Expanding Timber Harvests On Publicly Held Lands

WHEREAS, the Board finds that timber, forestry, mining, agriculture and tourism are and have always been the source of wealth, prosperity and employment for the residents of Ferry County both past and present; and

WHEREAS, the Board finds that the Ferry County Comprehensive Plan identifies timber, mining, agriculture, recreation and tourism as vital components of a sustainable developing economy.

NOW, THEREFORE, the Commissioners of Ferry County, Washington, as the duly elected and sworn legislative authority of said County, do acknowledge that timber harvests on publicly held lands have always been and shall continue to be a vital element of the economy of Ferry County and by proximate relationship the culture of Ferry County and must, therefore, be maintained and encouraged to expand at all efforts for the benefit of the people of Ferry County.

Dated this 11th day of February, 2013.
