Ferry County Board of Commissioners,

After talking with Treasurer Kathleen Rupp, I decided to close the Ferry County Fair Petty Cash account that was established on the attached resolutions. I have not used this account at all in the last 3 years because I prefer to use a credit card so I have a double paper trail for any purchases that I have made for fair expenses. Many reasons that have made me come to this decision are the fact there is not a Bank of America now making it harder to draw on, the fact that things have changed between the Fair Board and the County and hunting down two board members to sign a check if it is needed.

If you have any questions please contact me at 775-3146 Office or 775-3630 Home.

Sincerely,
