### **2.2 Effective Date**

This Ordinance will be effective as of the date of approval, passage and publication as required by law.

### **2.3 Term**

The rights, privileges and Franchise granted to Avista will extend for a term of 25 years from the Effective Date, and shall continue year-to-year thereafter, until it is otherwise renewed for another twenty-five (25)-year term, or terminated by either Party, with not less than 180 days prior written notice to the other Party.

### **2.4 Non-Exclusive Franchise**

This Franchise is not an exclusive Franchise. This Franchise shall not prohibit the County from granting other franchises within the Franchise Area that do not interfere with Avista's rights under this Franchise. County may not, however, award an electric franchise to another party under more favorable or less onerous terms than those of this Franchise without this Franchise being amended to reflect such more favorable or less onerous terms.

### **2.5 Notice of County's Intent to Compete with Avista**

In consideration of Avista's undertaking pursuant to this Franchise, the County agrees that in the event the County intends to engage in the business of providing Electric service during the life of this Franchise or any extension of this Franchise, in competition with Avista, the County will provide Avista with six (6) months' notice of such action.

### **2.6 Assignment of Franchise**

Avista shall have the right to assign its rights, benefits and privileges under this Franchise. Any assignee shall, within thirty (30) days of the date of any assignment, file written notice of the assignment with the County together with its written acceptance of all terms and conditions of this Franchise. As permitted by law and Commission regulation, Avista shall have the right, without notice to or consent of the County, to mortgage or hypothecate its rights, benefits and privileges in and under this Franchise as security for indebtedness.

## **SECTION 3.0 AVISTA'S OPERATIONS AND MAINTENANCE**

### **3.1 Compliance with Laws, Regulations, Codes and Standards**

In carrying out any authorized activities under the privileges granted by this Franchise, Avista shall meet accepted industry standards and codes and shall comply with all applicable laws, regulations and ordinances of any governmental entity with jurisdiction over Avista's Facilities and operations in the Franchise Area. This includes all applicable, laws, regulations and ordinances existing as of the Effective Date or may be subsequently enacted by any governmental entity with jurisdiction over Avista's operations within the Franchise Area. The County shall have the right to make and enforce reasonable rules and regulations pertaining to the conduct of Avista's operations within the Franchise Area. Prior to the adoption by the County of any new rule, procedure or policy affecting Avista's operations under the Franchise, the County shall provide Avista a written draft document for comment with a response period of not less than thirty days. Service shall be supplied to the County and its inhabitants in accordance with Avista's rules and regulations and Tariffs currently or subsequently filed with and approved by the Commission.

### **3.2 Facility Location by Avista and Non-Interference**

Avista shall have the discretion to determine the placement of its Facilities as may be necessary to provide safe and reliable electric service, subject to the following non-interference requirements. All construction, installation, repair or relocation of Avista's Facilities performed by Avista in the Franchise Area will be done in such a manner as not to interfere with the existing construction and maintenance of other utilities including drains, drainage ditches and structures, irrigation ditches and structures located therein, nor with the grading or improvement of the Franchise Area.

### **3.3 Facility Location Information**

Avista shall provide the County, upon the County's reasonable request, Facility location information in electronic or hard copy showing the location of its Facilities at specific locations within the Franchised Area, to the extent such information is reasonably available. Avista does not warrant the accuracy of any such Facility location information provided and, to the extent the location of Facilities are shown, such Facilities may be shown in their approximate location. With respect to any excavations within the Franchise Area undertaken by or on behalf of Avista or the County, nothing stated in this Franchise is intended (nor shall be construed) to relieve either party of their respective obligations arising under the State one-call law with respect to determining the location of existing underground utility facilities in the vicinity of such excavation, prior to commencing work.

### **3.4 Vegetation Management -- Trimming/Removal of Trees**

State law requires electric utilities to comply with the National Electric Safety Code, including the guidance in the Code for the trimming or removal of vegetation interfering or potentially interfering with energized power lines. The right of Avista to maintain its Facilities and appurtenances under this Franchise shall accordingly include the right, as exercised in Avista's professional discretion, to utilize an integrated vegetation management program to minimize the likelihood that vegetation encroaching (either above or below the ground) on Avista's facilities can lead to power outages and other threats to public safety and welfare. Avista or its agents may, without recourse or payment of compensation, inhibit the growth of, prune, or remove any trees and vegetation which overhangs or encroaches upon its Facilities and/or electric transmission and distribution corridors within the Franchise Area, whether such trees or vegetation originate within or outside of the Right-of-way. Nothing contained in this Section shall prevent Avista, when necessary from pruning or removing any trees which overhang the Franchise Area and may interfere with Avista's Facilities.

### **3.5 Right of Excavation**

For the purpose of implementing the privileges granted under this Franchise, and after any required notification is made to the County, Avista is authorized to make any necessary excavations in, under and across the streets, alleys, roads, rights of way and public grounds within the Franchise Area. Such excavation shall be carried out with reasonable dispatch and with as little interference with or inconvenience to the public as may be feasible. Avista shall remove all debris stemming from excavation and construction. The Right-of-way surface shall be restored by Avista to its original state of improvement after excavation, in accordance with applicable County and Avista specifications.

### **3.6 Emergency Work**

In the event of an emergency requiring immediate action by Avista to protect the public health and safety or for the protection of its Facilities, or the property of the County or other persons in the Franchise Area, Avista may immediately proceed with excavation or other Right-of-way work, with concurrent notice to the County to the extent possible.

## **SECTION 4.0 RESERVATION OF COUNTY'S RIGHTS AND POWERS**

### **4.1 Reservation of Right**

The County, in granting this Franchise, does not waive any rights which it may now have or may subsequently acquire with respect to road rights-of-way or other property of County under this Franchise, and this Franchise shall not be construed to deprive the County of any such powers, rights or privileges which it now has or may hereafter acquire to regulate the use of and to control the County's roads, rights of way and other public property covered by this Franchise. Noth-

ing in the terms of this Franchise shall be construed or deemed to prevent the County from exercising at any time any power of eminent domain granted to it under the laws of this State.

#### **4.2 Necessary Construction/Maintenance by County**

The construction, operation and maintenance of Avista's Facilities authorized by this Franchise shall not preclude the County, its agents or its contractors, from grading, excavating, or doing other necessary road work contiguous to Avista's Facilities; provided that Avista shall be given not less than ten (10) business days' notice of said work, except in events of emergency when there exists an unforeseen and substantial risk or threat to public health, safety, welfare, or waste of resources, in which case the County will make reasonable efforts to contact Avista prior to doing said work; and provided further that the County, its agents and contractors shall be liable for any damages, including any consequential damages to third parties, caused by said work to any Facilities belonging to Avista.

#### **4.3 Expansion of Avista's Facilities.**

Facilities in the County's Franchise Area that are incidental to the Franchise Area, or that have been, or are at any future time acquired, newly constructed, leased, or utilized in any manner by Avista shall be subject to all provisions of this Franchise.

#### **4.4 Removal of Abandoned Facilities**

During the Term of this Franchise, or upon a revocation or non-renewal of this Franchise, the County may direct Avista to remove designated abandoned Facilities from the Franchise Area at its own expense and as soon as practicable, but only where such abandoned Facilities constitute a demonstrated threat to public health and safety. Avista shall not be required to remove, or pay for the removal of facilities it has previously abandoned to another franchisee, or utility under a joint use agreement, or Person granted permission to access Avista's facilities.

#### **4.5 Vacation of Properties by County**

If, at any time, the County shall vacate any road, right of way or other public property which is subject to rights granted by this Franchise, such vacation shall be subject to the reservation of a perpetual easement to Avista for the purpose of constructing, reconstructing, operating, repairing, upgrading and maintaining Avista's Facilities on the affected property. The County shall, in its vacation procedure, reserve and grant said easement to Avista for Avista's Facilities and shall also expressly prohibit any use of the vacated properties which will interfere with Avista's full enjoyment and use of said easement.

#### **4.6 Pole Attachments by County**

County shall be permitted, upon reasonable notice to Avista to attach its traffic control, fire and police communications signal cables to Avista's poles in the Franchise Area, provided that the County signs and meets all conditions of a Joint Use Master License Agreement ("Joint Use Agreement") with Avista. Per the Joint Use Agreement, Avista will not charge a pole rental fee

for County's non-revenue producing pole attachments that are dedicated for the public's benefit. All pole attachments by the County are at the County's own risk and must be attached in strict accordance with standard safety practices, codes and Avista specifications.

If there is not sufficient space available on Avista's structures such structures may be changed, altered, or rearranged at the expense of the County so as to provide proper clearance and capacity for County facilities. Such County facilities shall be subject to removal or repositioning by Avista at the County's expense to the extent necessary for utility worker safety and the proper construction, maintenance, operation or repair of Avista's Facilities and appurtenances. County assumes all responsibility for the installation and maintenance of County's facilities installed on Avista's Facilities.

## **SECTION 5.0 RELOCATION OR CONVERSION OF AVISTA'S FACILITIES**

### **5.1 Relocation of Facilities Requested by County**

Upon request of the County, Avista shall relocate its Facilities as necessary within the Franchise Area or other County-owned property as specifically designated by the County for such purpose. For purposes of this provision, all reasonable efforts shall be made by the County, with input from Avista, to minimize the impacts of potential relocation. The County shall provide Avista reasonable notice of any intended or expected requirement or request to relocate Avista's Facilities. Said notice shall not be less than ninety (90) calendar days prior to any such relocation and, depending on the circumstances, may be greater than ninety (90) calendar days if necessary to allow Avista sufficient time to arrange for relocation. In cases of emergency, or where not otherwise reasonably foreseeable by the County, the notice requirements of this Section may be shortened by discussion and agreement between the Parties. The County shall use reasonable efforts to cause any such relocation to be consistent with any applicable long-term development plan(s) of the County. If, at any time, the County shall cause or require the alteration or the improvement of any road, right of way or other public property which is subject to rights granted by this Franchise within the Franchise Area, Avista shall, upon written notice from the County change the location or readjust the elevation of its system and other Facilities so that the same shall not interfere with such work and so that such equipment and Facilities shall conform to such new grades or routes as may be established.

In the event a relocation forces Avista off County's existing Public Right(s) of Way then the County shall accommodate such relocation by securing an acceptable, alternate location for utilities and removing any obstructions, including, without limitation, trees, vegetation, or other objects that may interfere with the installation, operation, repair, upgrade or maintenance of Avista's Facilities on the affected Property..

If the County requires the subsequent relocation of any of Avista's Facilities within three (3) years from the date of relocation of such Facilities or installation of new Facilities, regardless of

the cause for either the initial or subsequent relocation, the County shall bear the entire cost of such subsequent relocation.

Avista agrees to relocate all Facilities promptly within a reasonable time. Upon notice from the County, the parties agree to meet and determine a reasonable relocation time, which shall not exceed the time normally needed for construction projects of the nature of the County's relocation request unless otherwise mutually agreed.

Notwithstanding the above, Avista shall not be required to relocate facilities of other entities that were (i) granted access to Avista's Facilities through a Joint Use Agreement or (ii) abandoned to another franchisee. Such relocation of these types of facilities shall be in accordance with Section 5.2 below.

This Section shall not apply to Facilities in place pursuant to private easement held by Avista, regardless of whether such Facilities are also located within the Franchise Area. In the event the County requests relocation of Facilities that are in place pursuant to an existing easement, said relocation shall be treated in the same manner as a relocation requested by third parties under Section 5.2, below, with the County bearing the expense of relocation.

## **5.2 Relocation of Facilities Requested by Third Parties**

County acknowledges that Avista is obligated to provide electric service and related line extension, relocation or conversion of Facilities for the benefit of its Customers and to require compensation for such services on a non-preferential basis in accordance with applicable Tariffs.

If Facilities are to be relocated at the request of or for the primary benefit of a third party, the County shall not require Avista to relocate its Facilities until such time as a suitable location can be found and the third party has entered into an agreement to reimburse Avista for its reasonable costs of relocation.

## **5.3 Availability of Other Funds**

In the event federal, state or other funds are available in whole or in part for utility relocating purposes, the County agrees to use reasonable efforts to apply for such funds, provided such funds do not interfere with the County's right to obtain the same or similar funds, or otherwise create any expense or detriment to the County. The County may recover all costs, including internal costs, associated with obtaining such funds.

## **5.4 Temporary Relocation of Facilities Requested by Third Parties**

At the request of any Person holding a valid permit or other written permission from the County, and upon reasonable advance notice and payment by the permit holder of Avista's expenses of such temporary change, Avista will temporarily raise, lower or remove its Facilities as necessary to accommodate a permittee of the County desiring to move over-sized structures or equipment along or across the Right-of-Way in the Franchise Area.

## **5.5 Conversion of Electric Distribution Facilities**

County, subject to applicable laws, rules, regulations and tariffs, may request that Avista convert from above ground to below ground wires, for the distribution of electricity underground after joint review with Avista and mutual agreement that such installation is feasible, practical and required for the public interest and safety. The incremental cost of such conversion of existing Facilities shall be borne and paid by the County or other party requesting the same, subject to law and such rules, regulations, and Tariffs of the Commission. It is expressly agreed by both Parties that this Section 5.5 does not apply to any conversion of transmission (69KV or above) infrastructure.

## **SECTION 6.0 INDEMNITY**

### **6.1 Indemnification of County**

Avista agrees to defend and indemnify the County, its appointed and elected officers and employees or agents, from any and all liabilities, claims, causes of action, losses, damages and expenses, including costs and reasonable attorney's fees, that the County may sustain, incur, become liable for, or be required to pay, as a consequence of or arising from the negligent acts or omissions of Avista, its officers, employees or agents in connection with Avista's obligations under this Franchise; provided, however, that this indemnification provision shall not apply to the extent that said liabilities, claims, damages and losses were caused by or result from the negligence of the County, elected officers and employees or agents.

### **6.2 Indemnification of Avista**

To the extent permitted by law, County agrees to defend and indemnify Avista, its officers and employees, from any and all liabilities, claims, causes of action, losses, damages and expenses, including costs and reasonable attorney's fees, that Avista may sustain, incur, become liable for, or be required to pay, as a consequence of or arising from the negligent acts or omissions of the County, its appointed and elected officers and employees or agents in connection with County's obligations under this Franchise; provided, however, that this indemnification provision shall not apply to the extent that said liabilities, claims, damages, losses and so forth were caused by or result from the negligence of Avista, its employees or agents.

## **SECTION 7.0 FRANCHISE DISPUTE RESOLUTION**

### **7.1 Non-waiver**

Failure of a Party to declare any breach or default of this Franchise immediately upon the occurrence thereof, or delay in taking any action in connection therewith, shall not waive such breach or default, but the Party shall have the right to declare any such breach or default at any time. Failure of a Party to declare one breach or default does not act as a waiver of the Party's right to declare another breach or default. In addition, the pursuit of any right or remedy by the County

shall not prevent the County from thereafter declaring a revocation and forfeiture for breach of the conditions of the Franchise.

## **7.2 Dispute Resolution by the Parties**

Disputes regarding the interpretation or execution of the terms of this Franchise that cannot be resolved by Department counterparts representing the Parties, shall be submitted to the County's Attorney and an attorney representing Avista for resolution. If a mutually satisfactory or timely resolution cannot then be reached by the above process, prior to resorting to a court of competent jurisdiction, the Parties shall submit the dispute to a non-binding alternate dispute resolution process agreed to by the Parties.

## **7.3 Right of Enforcement**

No provision of this Franchise shall be deemed to bar the right of the County or Avista to seek judicial relief from a violation of any provision of the Franchise to recover monetary damages for such violations by the other party or to seek enforcement of the other Party's obligations under this Franchise by means of specific performance, injunctive relief or any other remedy at law or in equity pursuant to Section 7.4. Any litigation between the County and Avista arising under or regarding this Franchise shall occur, if in the state courts, in a court of competent jurisdiction, and if in the federal courts, in the United States District Court for the Eastern District of Washington.

## **7.4 Attorneys' Fees and Costs**

Each Party shall pay for its own attorneys' fees and costs incurred in any dispute resolution process or legal action arising out of the existence of this Franchise.

# **SECTION 8.0 GENERAL PROVISIONS**

## **8.1 Franchise as Contract, No Third Party Beneficiaries**

This Franchise is a contract between the Parties and binds and benefits the Parties and their respective successors and assigns. This Franchise does not and is not intended to confer any rights or remedies upon any persons, entities or beneficiaries other than the Parties.

## **8.2 Force Majeure**

In the event that Avista is delayed in or prevented from the performance of any of its obligations under the Franchise by circumstances beyond Avista's control (Force Majeure) including, without limitation, third party labor disputes, fire, explosion, flood, earthquake, power outage, acts of God, war or other hostilities and civil commotion, then Avista's performance shall be excused during the period of the Force majeure occurrence. Avista will use all commercially reasonable efforts to minimize the period of the disability due to the occurrence. Upon removal or termination of the occurrence Avista will promptly resume performance of the affected Franchise obligations in an orderly and expeditious manner.

### **8.3 Prior Franchises Superseded**

As of the Effective Date this Franchise shall supersede all prior electric franchises for the Franchise Area previously granted to Avista or its predecessors by County, and shall affirm, authorize and ratify all prior installations authorized by permits or other action not previously covered by franchise. Termination of the prior Franchise shall not, however, relieve the Parties from any obligations which accrued under said Franchise prior to its termination, including but not limited to, any outstanding indemnity, reimbursement or administrative fee payment obligations.

### **8.4 Severability**

The Franchise is granted pursuant to the laws of the State of Washington relating to the granting of such rights and privileges by County. If any article, section, sentence, clause, or phrase of this Franchise is for any reason held illegal, invalid, or unconstitutional, such invalidity shall not affect the validity of the Franchise or any of the remaining portions. The invalidity of any portion of this Franchise shall not abate, reduce, or otherwise affect any obligation required of Avista.

### **8.5 Changes or Amendments**

Changes or amendments to this Franchise shall not be effective until lawfully adopted by the County and agreed to by Avista.

### **8.6 Supremacy and Governing Law**

This Agreement shall be interpreted, construed and enforced in all respects in accordance with the laws of the State of Washington. In the event of any conflict between this Franchise and any County ordinance, regulation or permit, the provisions of this Franchise shall control. In the event of a conflict between the provisions of this Franchise and Avista's applicable Tariff on file with the Commission, the Tariff shall control.

### **8.7 Headings**

The headings or titles in this Franchise are for the purpose of reference only and shall not in any way affect the interpretation or construction of this Franchise.

### **8.8 Acceptance of Franchise.**

Avista shall, within thirty (30) days after passage of this Ordinance, file with the County Clerk, its acceptance of the terms and conditions of this Franchise.

### **8.9 Abandonment or Suspension of Franchise Rights and Obligations**

Avista may at any time abandon the rights and authorities granted hereunder, provided that six (6) months' written notice of intention to abandon is given to County. In addition, pursuant to Section 8.6 and in the event a conflict exists between the terms of this Franchise and Avista's Tariff with the Commission that cannot be resolved, Avista may suspend or abandon the rights and obligations of this Franchise upon reasonable notice to the County.

**8.10 Franchise Effective Date**

The Effective Date of this Franchise shall be January 29, 2018, after passage, approval and legal publication of this resolution as provided by law, and provided that it has been duly accepted by Avista as specified above.
