911 Staffing

Dispatch Center Director Karin Hall, Ferry County Chief Accountant Joyce Schertenlieb, and Ferry County Payroll Clerk Dana Kincaid came before the Board to present an issue that is occurring with the Dispatchers payroll. Discussion was held on a staffing issue that has arisen within the E-911 dispatch center. Currently the center is operating with minimal staff and it has created a budgetary issue because of overtime hours. Ms. Hall requested additional staffing to circumvent the excessive overtime that is occurring currently. Commissioner Blankenship made a motion to change a current part time E-911 staff person to a full time position and to hire an emergency part time person effective July 1, 2015. Commissioner Davis seconded the motion was passed with all in favor.

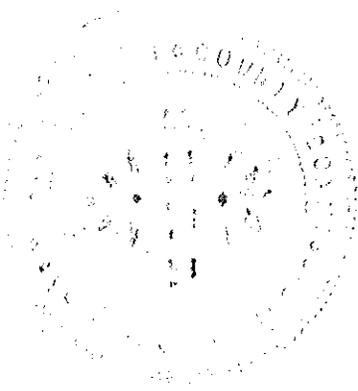

Connections

Ferry County Connection Kirsten Jackson came before the Board to report that she had received notification from the state that without a state budget being passed there is a possibility of having to suspend her program until the budget is passed. (Ex. #1)

The Commissioners instructed Ms. Jackson to notify staff of the possibility.
