I. HEARING

The above infractions came before the undersigned for hearing the date written below and the defendant requested a deferred disposition pursuant to Chapter 110, Laws of 2000.

II. FINDINGS

The defendant has not been granted a deferred disposition on a traffic infraction in the last seven years and should be granted a deferred disposition on the above infraction(s).

III. ORDER

The Court hereby defers entry of its findings in this matter for _____ months/year. The Court will dismiss the above infraction(s) on _____ if the defendant's record and case file demonstrates compliance with all terms of this Order. The Court will not extend the time for defendant to pay court costs or otherwise show compliance with the terms of this Order for any reason. The Court on its own motion or that of a party may set this case for an earlier hearing if it appears the defendant has committed a new offense in violation of the terms of this Order.

Defendant shall:

- (OC1) Pay costs of \$_____ in full today Pay \$_____ per month beginning _____
- Commit no new violations of the traffic laws** in any jurisdiction during the period of this deferral. Any infraction issued after entry of this order shall be considered a new violation for purpose of this Order. The filing of any criminal traffic violations with an offense date after entry of the Order shall be considered a new violation unless the case has been dismissed with prejudice before the review date above.

If the Court finds that the defendant has violated the terms of this order by committing a new offense, or otherwise fails or neglects to prove compliance with any term of this Order, the Court shall find the infraction committed and may assess the full penalty provided under IRLJ 6.2(d). Defendant may apply for the opportunity to make time payments or perform community service to satisfy said amount if defendant is not delinquent in payment of the court costs assessed by this order, but will not be entitled to a penalty reduction.

If the defendant fails for any reason to pay court costs in full today or as agreed in the time payment agreement, the Court shall – without further notice – find the infraction committed, assess the full penalty provided by IRLJ 6.2(d) plus the \$52 penalty for failure to pay or appear (if applicable), and promptly notify the Department of Licensing of the Court’s findings and of the failure to pay or appear.
