

Orange Hawkweed

Noxious weeds are non-native plants that can be highly destructive, competitive, and difficult to control. These plants invade our croplands, rangeland, forests, parks, rivers, lakes, wetlands, and estuaries causing both ecological and economical damage that affects us all.

For information on weed control within other agencies contact:

Colville Confederated Tribes
Land Specialist
(509) 634-2338

Luanne Finley (509) 722-6581

Ex - Officio Member

Dan Fagerlie (509) 775-5225 Ext. 1113

Coordinator

Mary Fee (509) 775-5225 Ext. 1111

Ferry County Noxious Weed Control Board

Hoary Alyssum

The goal of the Weed Board program is to aide in the containment, slow the spread, and when possible, to eradicate noxious weed infestations and the identification and prevention of new infestations of other problem weeds under R.C.W. 17.10.
