NOTICE TO THE PUBLIC

The Ferry County Assessor and Treasurer will be open to the public on Monday, June 15, 2020. We will have staff in our offices Monday-Friday from 8:00 AM until 4:00 PM. However, to maintain social distancing recommendations we will only be admitting one customer, per office, at a time. We will also ask that masks are worn while conducting business in our offices.

Additionally, both of our offices are very well equipped to handle inquiries and certain transactions without requiring an in-person visit. To help keep our staff and community safe, we encourage the public to call or email us prior to coming to the courthouse.
